

A warm welcome to Juniper St David's

With a home-like atmosphere, welcoming staff, and active lifestyle calendar, residents can immediately feel they belong to the Juniper St David's community.

With just 46 rooms, the small home in the heart of Mt Lawley is spread across three levels with communal spaces on each level for residents to socialise, relax or choose to take part in the social calendar of activities and outings.

Each private room with ensuite boasts its own small balcony where residents can enjoy the outdoors and view. Residents are welcome to freely personalise their rooms to make them feel just right.

St David's Campus

Located together with St David's Retirement Living, residents are able to enjoy shared grounds, activities, amenities and a wonderful, vibrant community.

Residents can take a stroll through the gardens, join in an activity run by the Retirement Living community or enjoy the spacious lounge and kiosk selling coffee, tea and cake.

The DINE Experience

At Juniper, we believe food is one of life's greatest pleasures, and serving wholesome, nutritious meals is the key to supporting our residents to live their best life. Each resident enjoys food from our DINE (Dignity In Nutritional Excellence) initiative. Our seasonallydriven menus are designed by our chefs and prepared daily at our on-site kitchen using local, quality ingredients.
