

## Prayer for the Decommissioning of Charles Jenkins

### Chaplain 1

God of all creation,  
We thank you for the work and service carried out in this place over many years.  
We thank you that the Charles Jenkins facility, once a dream of a preacher, translated into the reality of helping many.  
Thank you for the years of welcoming care to Western Australians.

### Chaplain 2

Merciful God,  
We thank you for those individuals that came through this place,  
For those who recovered well enough to return home.  
We thank you for those who transitioned into residential aged care.  
We thank you that in your mercy you helped people return home, create a new home or go to their eternal home.

### Chaplain 3

Loving God,  
We thank you for the tears that have been shed.  
We thank you for the laughter that was heard.  
We thank you for the joy people experienced.  
We thank you for the families and friends that journeyed with each patient that came through the doors.  
We thank you that you invite us into your family.

### Chaplain 4

All knowing one (God),  
We thank you for the many staff that worked in this place.  
We thank you for the care they showed.  
We thank you for the hours of dedication.  
We pray for those who have been dispersed to other locations; assist them day by day.  
We thank you for those staff who have left their lasting impact on many people.

### Chaplain 1

We thank you for the Blessing this place has been to many.  
We pray your protection during the demolition.  
We pray for those who decide what will be next for the site.  
We pray for your continued blessing on this place, and we commit it afresh to you.

**In Jesus Name  
Amen**
